“For thou hast been a strength to the poor, a strength to the needy in his distress, a refuge from the storm, a shadow from the heat, when the blast of the terrible ones is as a storm against the wall.”

Isaiah 25:4

Praise The Lord! The plans have been completed and we will be presenting them to the city of Burlington next week. We are asking all of you to pray and ask the Lord to help this process go smoothly and quickly so that we can begin the renovations that are needed to open the shelter.

God has continued to show us over and over again how much this shelter is needed through the ladies at the pregnancy services. The letter Tammy wrote last month about the two girls who were helping each other touched my heart with the urgency that this needs to happen as soon as possible. There are so many other stories we could share with you about ladies with children who would have benefited greatly if this shelter had been available to them in their time of need. Not only would they have found food and shelter but they would have been saturated with the word of God if the shelter had been open.

We have several volunteer groups who are chomping at the bit to help with the renovations, for which we are very grateful. “Many hands make light work.” As soon as we receive the go ahead from the city, we will be needing all kinds of volunteer help, from electrical, plumbing, carpenters, painters, designers etc... We have been collecting furniture to furnish the rooms but we know we will need more so if you have bedroom suits you are no longer using, send them our way. If you have other items that may be able to use, please give us a call. I hope you can feel the excitement in my words for this project to move forward for the Glory of God! Thank you all who are holding us up in prayer on a daily basis and for those of you that are supporting one or all of the ministries of Piedmont Rescue Mission. We need added support for the Family Shelter, and we are praying God will lay it on your heart to help us with regular monthly support for the shelter. We praise God for all of you that partner with us to “Offer a hand up, Not a Hand Out”. God bless you.

We are so excited and thankful that God has given us this property to spread the gospel even more in our community.

Please make it a matter of prayer as to how God would use you to help us get this much needed shelter open and operating for His Glory! Perhaps just by adding a little extra to what you already give or by taking it on as a new mission project.

A Note From The Director of Good Samaritan Thrift Store

The spring and summer season has been booming at the thrift store with so many donations. Thank you all who donate to us!!! Some of you know I have been dealing with a back injury and thank the Lord it is doing much better after two injections. Please continue to pray for healing.

We apologize for the heat in the store right now and hope you will still come to shop. If the temperature in the store gets past 90 degrees, we usually close by 4:00 so if you come and we are closed that is why. Please remember your donations are appreciated but please do not leave them on the dock after hours because they will get destroyed overnight with vandals coming in and tearing through them. When this happens, we have to throw them in the dumpster which cost the ministry money.

Thank you all for your support of the ministries of **Piedmont Rescue Mission.**
