

# Mission Impossible

“But Jesus beheld them, and said unto them, *With men this is impossible; but with God all things are possible.*” Matthew 19:26

## Piedmont Rescue Mission

April 2019

Springtime has finally arrived and it has brought the sun with it. What a beautiful sight to see the sun! I feel as if we have had spring showers for 3 months. The earth comes alive with new life in the spring. Spring is a good reminder that the resurrection of Christ has promised us “new life” in Him if we believe on His name. “Therefore if any man be in Christ, he is a new creature old things are passed away; behold, all things are become new.” 2 Corinthians 5:17. Praise God for new beginnings!

We are looking ahead to new beginnings here at the mission. We are thanking God for the structural plans being completed and praying God will help the engineers finish up the HVAC and plumbing plans for the Family Shelter so that we can begin the work of renovating. Pray with us that the city will approve the plans and issue permits in a timely manner. God has already started supplying items that we will need to do the work as well as many volunteers wanting to help! We will need plumbers and electricians as soon as the plans are approved so please let us know if you can help. The sooner we get the work done the sooner we can say “Yes, we have a place for you” to those who are calling in need of a safe place for their family. The family shelter will give us one more way for the mission to reach out to women and children who may be on the streets with a message of hope in Jesus.

We continue to see men saved by the grace of God. We have had several men make professions of faith. It’s good to see God working in the lives of the men here in a way that they want to testify and help other men who come in to the mission to know that God can deliver them also. Heart change makes all the difference. I wish you could be here every day and see how God is working in the men’s lives.

The “Men on a Mission” love to go to churches and other events to sing and tell about Jesus and what He has done in their lives. If you would like them to come sing and testify in your church, give me a call and I can arrange it. God is really at work around here and you are a major part in that work because without your gifts and financial support we could not continue to do the work we do.

In closing, I hope you have seen a little of what God is doing around the mission. We are so grateful for His provision to us. Let’s remember this Easter not to forget that it is only through His death and resurrection that we can have new life in Christ. May you have a blessed Easter and don’t forget to thank Him for your blessings. We love you because you care and we really do need you! Thank you for all you do!!!

God bless you,

**Bro. Tony Honeycutt, Executive Director PRM**

***“Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.”***

***2 Corinthians 5:17***

**What it used to be like....**for most of my adult life I used drugs. When the opioid epidemic hit, I started using them heavily for about 4 years. I was in absolute bondage to drugs. I became extremely isolated and full of fear and desperation. I wanted to stop but couldn't help myself.

**What happened....**the last time I overdosed , I almost died. They brought me back and then the police officer, who had responded searched my coat and found drugs in my coat pocket. Needless to say he arrested me and took me to jail. While in jail I thought about the times I had cried out to God for help, a God I didn't know and a God I had never honored. Then it hit me like a ton of bricks! He had answered my desperate cry. He had brought me down to the lowest point of my life and surrounded me by jail walls where I was forced to get off the drugs. Finally, after many years of addiction I was clean from drugs!!!

**What it is like now...**After being released from prison I came to the mission determined to find a new way to live. I needed time to ponder the course of this life, my life. I came to myself and then I came to know Jesus and his saving forgiveness. I have never looked back. The mission is the Lord's workshop. The staff and those that are over the mission are His tools. God is working miracles here on a daily basis. I thank Jesus for my salvation and for being the Lord of so many chances. He is an awesome God.

**Thank you Jesus!**

*“And let the beauty of the LORD our God be upon us:  
and establish thou the work of our hands upon us;  
The work of our hands establish thou it.” Psalms 90:17*

In the last few months there has been so much on the news concerning abortions. There have been laws passed in various states to legalize late term abortions up to time of the delivery and even to the point that, if the baby survives the abortion, lifesaving aid is withheld. Can you say with me “What is wrong with this world”? In all my 60 years of living I have never heard or seen such horrific things going on. Abortion is wrong; abortion is sin! We have a Savior who died to save us from our sins and yes, that includes abortion. The harm caused by abortion isn’t just isolated to the innocent child killed in the womb. Whether they acknowledge it or not, most women who have aborted their tiny babies feel immense grief from the loss of their child. We need to make sure that we don’t dismiss the pain that millions of mothers feel every time they think of their aborted child. From my experience, the reason many mothers go through with an abortion is because they were pressured into it, sometimes by the father of the child, sometimes by their parents, and even sometimes by well-meaning friends. Many women suffer in silence; it could be one of your closest friends, a coworker, neighbor and yes, even a family member. We need to remember the post– abortive mothers with compassion and forgiveness. I think we can all agree that abortion hurts so many people in so many different ways.

I thank God that He allows me to be a part of Alamance Pregnancy Service as an alternative to abortion. A helping hand that says “I will help you” is sometimes all the expectant mother needs to hear. I will be there for you; you are not alone! Without supporters like you, I would not be able to help the ladies that come to me. Thank you so much for standing with me financially and prayerfully as we strive to save babies lives and the mothers life through the saving knowledge of Jesus Christ. One thing is for sure, together we are able to do so much more to reach the moms that need our help.

With that said, the time is drawing near for the **Baby Bottle Boomerang Fundraiser**. I am looking forward to getting it underway. I will be calling to set up the bottle deliveries starting mid-April. If you know your church is wanting to participate, please save me some time and give me a call so I can get your bottles ready. I appreciate so much the ones of you who have participated in this fundraiser for many years and the ones of you that just joined us last year. If you haven’t participated, please make this your first year. God blessed us beyond measure last year with raising very close to \$23,000 dollars. Let’s beat that record this year! If you own a business and would like a bottle to put in your business, please let me know that as well.

Again, thank you all so much for your financial support and your prayers.

**Tammy Honeycutt, APS Counselor**
