Baby Bottle Boomerang Time!

“Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witness.”

I Timothy 6:12

Alamance Pregnancy Services has been on the frontlines of the battlefield fighting for the lives of the unborn since the 1980's and we will continue to fight for them. Over the years, we have seen a decline in the abortion vulnerable cases that have come through our offices for which we are very thankful. If a child is conceived, we truly believe that no matter what the circumstances surrounding the conception, that child is a blessing from God. We reach out to help the women that come to us by helping them with the things they will need on a daily basis for their baby, but more importantly, we share the Gospel of Jesus Christ to let them know that He loves them and He wants to be there to help them raise the beautiful gift of the precious child they are carrying. We tell them God loves and cares for them and He loves and cares for their child .

As in years passed, we have had so many of you respond to help us during this very important **Baby Bottle Boomerang Fundraiser** for the pregnancy services. We are excited as we prepare to deliver the bottles or meet you as you come to pick up your bottles . The hallway out side my office looks like a baby bottle store! If you haven't gotten in your request for bottles yet and would like to, there is plenty of time for you to do so. Call the office and let us know how many you will need and we will get them ready for you. The **Baby Bottle Boomerang Fundraiser** helps us have the funds to keep our doors open and to supply the ladies that come to us with the baby items they need such as cribs, blankets, diapers, wipes, bottles and clothes.

Will you join with us by supporting the Baby Bottle Boomerang fundraisers this year. Will you join with us by donating baby items to us? Will you join with us by getting the word out to others? Will you join with us by praying for us? Together the battle can be won. Many hands make light work.

Tammy Honeycutt, APS Counselor

This month we were privileged to have a group of fine young people volunteer to help us out in our store room, while doing a project in their English class on issues of abortion. It was so much fun sitting down and talking with these young people who have strong pro-life views. When you think all young people are going out on a limb just remember there is a remnant of them who are still holding fast to the truths of God's word and are not ashamed to proclaim it! Don't forget to pray for the young people in our country as they grow up in a confused world.
