

MISSION IMPOSSIBLE

“But Jesus beheld them, and said unto them, *With men this is impossible; but with God all things are possible.*” Matthew 19:26

September
2019

The smile on my face tells it all! The plans for the PRM Family Shelter are completed. What a blessing!!! God blessed us with Godly men to do the plans and they did it all for no charge to us. Thank you, Grant Fox and all the other men that helped you make this possible. The plans are in the Burlington City Offices now. We are waiting for their approval so we can begin the renovation process. Please **pray with us** that all will be approved as soon as possible.

I am very excited about our keynote speaker this year for the **Greater Vision Banquet**. When you see him, you will quickly notice that Daniel Ritchie is much more than a speaker, he is an EXPERIENCE. He is an experience of God's grace, purpose and love in the life of a man who many would call disabled.

Daniel was born without arms and spent the majority of his life being told that he was a hopeless mistake and would never be able to lead a full life. Yet, at the age of 15, God intervened when he heard a preacher tell him of God's love for him and that he was “fearfully and wonderfully made”. He accepted Jesus Christ as his Lord and Savior that day.

Daniel's energy is contagious, his stories are heartwarming and precious. You will be in tears and you will laugh but most of all you will praise God because you will see how our God can take what the world would call a disability and turn it into a priceless ability. I truly believe that Daniel's story will impact you in a way that no other speaker has done before at our banquet. You don't want to miss this one guys. It will be very special!

Daniel is passionate about going into all the world with the gospel, to make disciples and encourage believers with God's story of grace in his life.

He is one of the most in demand and top rated speakers in the U.S. and Canada. As a writer, he has been published in well-known outlets like Fox News, Desiring God, The Gospel Coalition, For The Church, Church Leaders and Rapzilla. He is a proud husband and father of two amazing kids, and also the author of the newly released book, *My Affliction for His Glory*.

A well known pastor said of Daniel's book, "It was, and is, a beautiful story that moves me to wonder and gratefulness. This story will show you that your worth in Christ is far better than all the arms in the universe."

Daniel himself has said, "God gave me something better than arms, he gave me His Son."

Folks this is going to be a great banquet, the invitations will be mailed out in a few weeks, please get your reservation in as soon as possible. You are going to be richly blessed and encouraged!

Keynote Speaker:

Daniel Ritchie
“Speaker and Author”

Daniel Ritchie was born without arms and spent the majority of his life being told that he was a hopeless mistake and woefully insufficient to lead a full life. But, God used a preacher to share with Daniel just how much God loved him. The preacher explained that he was not a mistake, but rather “fearfully and wonderfully made” (Psalm 139) and it was there, at the age of 15, that Daniel accepted Christ as his Lord & Savior.

One year after getting saved, Daniel submitted his life to full time ministry and God began to open doors for him to preach across the South. Close to two decades have passed since Jesus radically changed Daniel’s life, and he has served on staff at a camp, as a student pastor, conference speaker and writer.

Today, Daniel is based in Charlotte, North Carolina and he speaks for churches, schools, camps and conferences all over the US and overseas. As a writer, he has been published in well-known outlets like Fox News, Desiring God, The Gospel Coalition, For The Church, Church Leaders and Rapzilla. He is a proud husband and father of two amazing kids, and also the author of the newly released book, *My Affliction for His Glory*
