

# MISSION IMPOSSIBLE

“But Jesus beheld them, and said unto them, *With men this is impossible; but with God all things are possible.*” Matthew 19:26

***“Count your many blessings  
name them one by one.  
Count your many blessings  
see what God has done.”***

Counting our blessings is always being humble and giving thanks for everything in life. We are thankful for Jesus Christ who is everything. We are thankful for food, friends, family and God’s love. We should appreciate everything in life because there are always people who are hungry and in a harder situation than us. Our bad days are someone else’s good days.

We are so full of thankfulness at this time because God has answered so many prayers for us. We are first thankful for all the men and women who have come through our ministry this year. We are thankful for those who have received the Lord and are continuing on for Him. We are thankful for the staff God has given us to work with at the mission. We are thankful for all the churches, individuals and businesses who support us financially and pray for us daily. We are thankful God has provided a means for us to be able to help so many in the community with food boxes throughout the year. It is humbling when you see the families coming in to get the boxes and how grateful they are for the help they are receiving.

We are most thankful for the answered prayer of the building permit for the women and children’s shelter. We can now begin renovations. It has been a long time coming but as we have waited God has taught us so much. While listening to a pastor this morning, I heard something that stuck with me. God is with us in our times of waiting and a lot of times these are low times. He used the word LOW to share what we need to do during these time. L—learn, O—Obey, and W—Worship. We need to remember God’s timing is perfect timing and it is always right on time!

We are thankful for all of you who supported us by coming to the Greater Vision Banquet and for the donations you gave us. We had so many of you sign up to volunteer to help us with the Women and Children’s Shelter renovations. We will be calling on you so don’t forget us. We pray daily for each of our supporters and we know you are praying for us. What a blessing to know that God has given us so many people who are with us in this work for the Lord.

We could never thank God enough for all the countless blessings He bestows upon us. Join with us this year at Thanksgiving time giving God the Praise He deserves for all He has done for us!
