February 2020

Beloved, let us love one another; for love is of God; and every one that loveth is born of God, and knoweth God. He that loveth not knoweth not God; for God is love. 1 John 4:7&8

February is the month of Valentines. We celebrate it by showing others that we love them. It doesn't always have to be your girlfriend/boyfriend or spouse. We can show our love to others in our lives too. It is the perfect time to reach out to those in your life and those that are in your community that are in need of a little extra love at this time. Love can be shown by buying gifts or by doing special things for others. Children making special cards for their parents are the most treasured gifts to a parent's heart because they know the child did it with their own hands. A bought gift usually is consumed quickly but a gift made with tender loving care you will remember for a lifetime.

The thing closest to our hearts right now here at Piedmont Rescue Mission is our Women and Children's Shelter. Getting the renovations done are foremost in our minds. We want to open our doors to the many women with Children who are in need of a safe place to stay. We are pleading with you during this season of love to reach out to help us with this project. Not all can do the physical work needed but all can pray. Not all have the resources to donate monetarily but all can pray. God can use whatever your talent is to help with this project and to show the love of God by doing so. God used an architect to get the plans done so we could start the renovations. God has given us a gracious electrician that has offered to do all the electrical work that is needed. He has also used this man to encourage a men's group to pay for all the electrical supplies that will be needed. Just two examples of Godly men showing the Love of God with the talents God has given them. Think about what your talent is, and most likely we could use that talent at the shelter. No talent is too small for God to use.

Men, Women and young people who came out to help with our January 24 & 25 workday for the Shelter

Many hands make light work. We were able to get the room that will be the kitchen cleared out, the hallway opened up and the dining room cleared out too. Thank you to all who took the time to help us with this project. There will be many more opportunities for others to help before we are finished.

Have a Happy Valentine and Don't forget to show God's Love!

God Bless You,

Tony Honeycutt, Executive Director PRM
