

“But Jesus beheld them, and said unto them, *With men this is impossible; but with God all things are possible.*” Matthew 19:26

## *Piedmont Rescue Mission*

“Offering a Hand up, not a Hand out”

1982-2020

***“Let every thing that hath breath praise the Lord. Praise ye the Lord.”***

*Psalm 150:6*

In our world today, with all the turmoil we are facing, let us not forget to **Praise the Lord**. It is so easy to focus on our circumstances and get bogged down in what is wrong with the world that we forget to praise our creator. At this time we need to remember the one who created us is in control of the world and what seems to be chaos that is in the world right now. Nothing we are facing today has taken Him by surprise!

I am going to **Praise the Lord** in this letter for all the blessings He has and is bestowing on Piedmont Rescue Mission ministries on a daily basis. Please join me in praising the Lord!

*Alamance Rescue Mission:* **Praise the Lord** we are all remaining healthy! **Praise the Lord** for the two men who made a profession of faith in church two weeks ago. **Praise the Lord** for supplying all we have needed to feed and take care of the men during this time. **Praise the Lord** for faithful men and women who work along beside us in this ministry.

*Alamance Pregnancy Services:* **Praise the Lord** for at least 5 healthy babies born last month. **Praise the Lord** for keeping all the moms healthy. **Praise the Lord** for supplying all the things we need for the babies and the moms. **Praise the Lord** for health for both of our ladies that are maintaining the office. **Praise the Lord** for the churches who have participated in the Baby Bottle Boomerang.

*PRM Family Shelter:* **Praise the Lord** for the electrician who has volunteered his time to do the electrical work needed at the shelter. **Praise the Lord** for the precious family, including a Grandfather and 5 of his grandsons who are volunteering their time to do the carpentry work needed at the shelter. **Praise the Lord** for continued support for the shelter.

*Good Samaritan Super Thrift:* **Praise the Lord** we are able to open to the public again. **Praise the Lord** our staff at the store are all remaining healthy. **Praise the Lord** we can receive and pick up donated items again.

**Praise the Lord** for all of you who stand with us in prayer and financial support for all of the ministries of Piedmont Rescue Mission!

Praise is a form of worship, so let's worship the Lord with our praise today. We have so much to praise Him for we could go on endlessly! He is a wonderful God and worthy of our praise.

***“Let every thing that hath breath praise the Lord. Praise ye the Lord.”***

*Tony Honeycutt, Executive Director*

# Alamance Rescue Mission

For the first time in 3 months we were blessed with the “Men On A Mission” choir singing at church this last Sunday. What a blessing it was to see two new men in the choir who just made a profession of faith in the Lord several weeks ago. The men sang “He’s Got the Whole World in His Hands”. The song was so appropriate for the times we are going through these days. A reminder to us all that He has all of us who are His children in His hand and He will take care of us.

As I listened to this song, memories flooded through my mind of our days in Africa. As most of you know Tony fell down a 60 ft. well while in Kenya. Remembering back to when this happened, Tony had been singing “He’s Got The Whole World In His Hands” that whole week before he fell.

*“He’s Got The Whole World in His Hands”*

Standing at the opening of the well screaming Tony to the top of my lungs, all I could think of was I had lost him. When I finally heard his faint voice saying “I’m Ok” joy filled my heart to know that God had protected him and was holding him in the palm of His hands. We have a wonderful God who has promised He will never leave us or forsake us. We Praise Him for His loving and protecting hands during these times of uncertainty in our world today.

The mission is continuing to be very strict on sanitizing the building and wearing mask when in close contact. The Lord is continuing to bless the men with health. Many of them work outside the mission so please remember to pray for their safety on their jobs.

We have a special request for a gentleman here at this time. He has been diagnosed with Cancer and is struggling with the next steps he will take in his life. Pray God will give him wisdom on what direction to go with his treatment. Please pray for healing for him.

We thank all of you who pray for us daily and support the mission financially. God bless you !

*Tony and Tammy Honeycutt*  
**Phil. 4:13**

## Good Samaritan Super Thrift Store

**Justin Holdren hard at work getting merchandise priced.**

It has been a hard couple of months, but we survived the store being closed for 6 weeks!

We want to thank all of those who continued to donate items and support us while we were closed. On the bright side, the time allowed us to totally reorganize our back warehouse in order to make the flow of merchandise to the store floor easier and to keep the shelves full!

Although we will be adding extra open days soon, our current limited hours are: Thursday and Friday 10:00 am to 5:00 pm and Saturday 10:00 am to 2:00 pm.

We have continued our pickups again on Tuesday and Thursday and Saturday Yard Sale pickups after 2:00 p.m. If you would like for us to pick up from your house please call 336-229-4900 for an appointment.

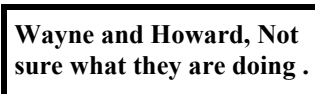

Keep checking our Face book page at “Good Samaritan Super Thrift” for updates to hours and to see weekly pictures of the great items we have in the store.

Please bear with us as we continue to navigate weekly changes during this pandemic. Thank you for your support of Piedmont Rescue Mission.

*Justin Holdren, GSST Director*

**Wayne and Howard, Not sure what they are doing .**

**Marie organizing and putting out shoes .**

# Alamance Pregnancy Services

At the beginning of June Zenora was born weighing less than 4 pounds . After spending approximately 3 weeks in the hospital she was able to go home with her mom. Needless to say her mom was ecstatic to finally get her baby girl home. Her big sister was so happy to finally meet her little sister for the first time. Malisha brought the baby by the office for us to meet. What a joy it was to finally see her and know she is home and healthy. Please pray for this family as they go through many changes. God is working miracles in the marriage relationship and bringing their precious family closer to Him and each other.

*Our happiest days at APS are when we get to meet the precious babies after they are born!*

**WE LOVE OUR BABIES**

The Baby Bottle Boomerang is being held over til the end of July. We have had several people come by to get bottles and to turn in full bottles. The Covid 19 issue has really been a issue for us this year but we are so grateful to all of you who have made a way to participate regardless of the road blocks we have faced. We are leaving the outcome in the Lord's hand.

We did resume our classes in June, but because of the Covid 19 it seems the ladies are hesitant to come out for the classes. Please pray that we will have more participation in the classes in July. We are taking safety measures to make sure the ladies are protected and that we are to. Thank you so much for all you do for Alamance Pregnancy Services.

God Bless You.

*Tammy Honeycutt, APS Counselor*

*Jeanne Weeks, APS Counselor*

# PRM Family Shelter

*“Except the Lord build the house, they labour in vain that build it: except the Lord Keep the city, the watchman waketh but in vain,”  
Psalm 127:1*

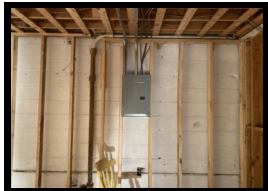

We are trusting the Lord to build the shelter into a home for so many women with children in need. Within the last hour I have had a lady come into the pregnancy services with 2 children and expecting a 3rd in 4 weeks who has been put in a position of having nowhere to live. Please pray that she will find adequate housing before her baby is born. We are saddened when we have to turn ladies with such a need away.

The need is so great and sometimes we wonder why it takes us so long to get things done for the shelter but we have to remember even in the delays God is in control. In His time the shelter will be finished. We just have to continue to be faithful to His calling and press on with the work.

We are so grateful to the volunteers who are stepping up to help us get the work done. Without our volunteers the work would be even slower. Thank you to the electrician, Sam Langford and for Ray Pankratz , a professional construction contractor and his 5 grandsons for taking off of their busy work schedules to do the work at the shelter.

Please continue to pray for and support the Family Shelter financially.

Thank you for your support and God bless you.

**Electrician doing Electrical work for the Kitchen.**

**Grandfather and grandsons clearing out room to build dividing walls for an apartment.**

**Two grandsons pulling down walls to make room for apartment dividers.**

**The youngest grandson pulling nails out of boards so that they can be reused.**
