

# MISSION IMPOSSIBLE

“But Jesus beheld them, and said unto them, *With men this is impossible; but with God all things are possible.*” Matthew 19:26

August 2020

***“Nay in all these things we are more than conquerors through Him that loved us.”  
Romans 8:37***

So, how do we start this letter? Our minds are going in so many directions. As in our letter last month, we are still praising the Lord for so many blessings. We are praising him that the men are still healthy, and all our staff have remained healthy. We are also praising the Lord we were able to open The Good Samaritan Super Thrift Store for the public to come in and shop 3 days a week .

As we enter the 6th month of the pandemic, we are growing weary, but with the full understanding that God is in control and working His will out in this situation.

The finances are taking a hit now with the Baby Bottle Boomerang under half of what came in last year and now with the Greater Vision Banquet date only a few months away we know we are going to have to go about this fundraiser in a totally different way than in the past. Please pray for us to have wisdom to know how we can raise the money we desperately need in spite of the pandemic. We have several ideas we are tossing around in our minds right now and will definitely have more answers in the next prayer letter. The Community meals will also have to be handled in a totally different way this year. Please pray for wisdom for us as make decisions for each of these events.

The men's division and pregnancy services have been trying to keep things going as close to normal as possible. We are seeing new clients in the pregnancy services on a weekly basis with all safety measures in place. We had put a hold on men entering the program, but as of this week we are opening the doors for men to come in under strict supervision and safety measures. We will be taking their temperatures daily and requiring them to wear mask when out of their rooms for at least their first 2 weeks here. Please pray the men stay healthy even with the new men being brought in.

The Family Shelter is making progress. All the apartment wall divisions have been done and awaiting inspection before we can move to putting up the sheet rock. The plumber is waiting on the inspector to answer a few questions for him before he starts his work on the bathrooms and kitchen plumbing. We need to find someone who can put in windows for us. We need about 8 windows put in on the outer walls that is a prefab metal wall. If you know of someone that could help us with this please let us know. We are required to have a window in every bedroom that is on an outer wall. We do wish things were moving faster on the shelter but we are moving on God's time table and He knows what is best for us. Please pray for finances for the shelter.

Because of the pandemic our finances are beginning to suffer in all of the ministries. Thank you for your continued prayer support and financial support. We are praying for all of you!

God Bless you,
