The leaves are beginning to fall from the oak trees on the grounds here at the mission, which is one of the first signs of Fall. The men will begin to rake the leaves and continue to rake them through January or February. Raking the leaves sometimes may feel like a minimal chore but without it we would have to wade into the mission. I am sure at times they feel it is an endless task too! Often in life we are given assignments that may seem small, but in Gods eyes any job is important. Many times we may feel like the men do when they are raking leaves that it is an endless undertaking and that we are just spinning our wheels. Through the years of working in ministry we have often thought we will never accomplish the goals we have set before us, but God in His mercy has always been with us and helped us to accomplish what He has set before us. We feel somewhat like that now with the Family Shelter. Even though there is work being done it never seems to move on our time table. Please continue to pray for us as we work on the Family Shelter.

Another sign of Fall is when we begin preparing for the Greater Vision Banquet, but this year it is a bit different. It is the Greater Vision Online Event. We are already getting responses from churches and individuals to help out with the banquet. We are excited as we see how it is coming together. We have several of our former guest speakers who will be coming or making a video for us to share with you the night of the event. We will also have women from the pregnancy services and men from the rescue mission giving testimony as to how God has worked in their lives. Make your plans to join us November 12, 2020 from 6:30—8:00 p.m. on: YouTube for the event. You will be able to get the link to it through our PRM Website or PRM Facebook account.

As we add up the last of the Baby Bottle Boomerang Fundraiser, we are thankful to God for all of you who participated in the fundraiser. We will be listing all who participated in our December letter. The end total was \$17,157.67. Even though the corona virus did hurt us, we still did much better than we anticipated. A great big thank you to all of you!!!

We are very thankful to God for keeping all of our staff and men healthy. Please help us pray that we continue on this path.

Finishing up, let us say we appreciate all of you our friends who are standing strong with us during this difficult time. We have seen the hand of God working in the mission in all areas. We are stronger when we work together for His glory! We know we have many prayers going up for us here at Piedmont Rescue Mission. God bless you all.

In Christ,

Tony and Tammy Honeycutt
