“Offering a Hand Up, Not a Hand Out”

“He hath made every thing beautiful in his time: also he hath set the world in their heart, so that no man can find out the work that God maketh from the beginning to the end.” Ecclesiastes 3:11

Hello, My name is James Anthony Robinson Jr. I was born in Lumberton N.C. I was the eldest of three and the only boy. Life in the neighborhood I grew up in wasn't always easy. My dad was an alcoholic but my mother truly loved the Lord. The side of the tracks that I came from introduced me to the street life at a very early age. Hustling and stealing came natural for me, being around the company that I kept. My sweet mother, bless her heart, she taught me that God loved me and that his son died to save my soul from hell. Even though I heard the Bible in my house all the time, my hard head and stubbornness would not allow me to receive it then. Not knowing the ruler of the world was Satan I wanted to see what it had to offer. For many years I delved into the things of the world, many of which could have caused my death. The prayers of many were sent up to the Father on my behalf. After many years of a life of living in sin, in 2014 God led me to the Piedmont Rescue Mission and my life began to change. I was one of the men that came and went about 4 times before I fully surrendered my life to the Lord. At that point in my life I let God have His way in my life. The mission and Grace Memorial Baptist Church has been my foundation in getting to know my savior better. God has shown me that he has a purpose for my life. He has always been there when I needed Him. He sent me a God fearing woman to be my wife, her name is Mary and she is the love of my life. I have put her through some tough times before I allowed the will of God to take control of my life. She has a big heart and a kind spirit. I thank the Lord for her and the patience she has and continues to show me. Now side by side, we worship and serve the Lord to the best of our abilities. Life is good for me now. No one can tell me that my God doesn't love me because I've learned that "Love" is what He is.

The mission is what I needed for God to get me to listen to Him. Through all my times at the mission God has been there ready and willing to help me. Since coming through the mission, I am serving the Lord as song director at the church and working part time on the staff of the mission. God is using me to help show other men what God can do for them if they will just let go and give God control of their lives. I pray through my testimony I can be a witness to other men of God's grace, love, and forgiveness.

Alamance Pregnancy Services Update

The Baby Bottle Boomerang time is approaching fast. Last year due to the pandemic we were way under our goal for 2020. We would like to see it back up this year to what it was in years past. We will need your help to make that possible. We are sending out letters to local churches with pleas for help. If your church doesn't get one please let me know and we will make sure you do. We know that God is in control and that He knows what we need before we need it, so we are trusting Him to supply the funds we need for 2021. If you want bottles please call the office 336-222-9195 or 336-212-2802

Thank you for your prayers!
