

# Mission Impossible

“But Jesus beheld them, and said unto them, With men this is Impossible, but with God all things are possible.” Matthew 19:26

## *Piedmont Rescue Mission*

*“Offering a Hand Up, Not a Hand Out”*

***“Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage.” Galatians 5:1***

July 4, 1776 America signed the Declaration of Independence. We were free from British rule. We have celebrated this day in America for 245 years. Freedom means a lot to us as Americans.

Over 2000 years ago Jesus died on the cross so that we could be free from our sins. When we receive Jesus as our savior, and we are forgiven from our sins we are free from the bondage of sin. I asked several of our men who have received Jesus gift of salvation to think about what they have been freed from. Here are some of the answers I received:

*“God has freed me from worry and taught me to trust Him with everything”*

*“Since being saved God has freed me from myself”*

*“I praise God he has freed me from alcohol addiction and drugs and given me a second chance in life”*

*“Jesus saved me from sin and freed me from the lust of the flesh”*

*“God freed me from sin and from a life of homelessness.”*

***“If the Son therefore shall make you free, ye shall be free indeed.”***

**John 8:36**

What a blessing to know when Jesus frees us we are free indeed! This July 4th we need to thank God for our freedom to worship Him. In many countries today that right has been snatched away from the people. Hold tight to that freedom and never let it go.

Thank you all for your support and prayers for us here at the mission. We are so grateful we live in a country where we can reach out to help others and share the gospel with them without the fear of being punished for it. God Bless You and have a wonderful July 4th.

# Good Samaritan Super Thrift Store

*Saying Good Bye to  
Justin Holdren  
after  
20 years of service.*

*As I write this, I am thinking about new beginnings, and how change is a part of life that is sometimes necessary. After almost 20 years of service to Piedmont Rescue Mission, I will be leaving to start a new chapter in my life. Although I am sad to leave coworkers and customers that have become like adopted family to me, I am excited to start a new chapter in my life to pursue goals I have been*

*working towards for years. To all the contributors who help make this ministry possible, I thank you for allowing me to be a part of the ministry that you believe in and support through your donations, prayers, and volunteer time. This place would not be possible without you.*

*Although I will be taking another job, I will be taking a "non management" job to allow me to focus on my growing art business, which I have been doing on a freelance basis for years. I have been blessed with many new opportunities in that area in the last few years so the time just felt right to make a change as I am not getting any younger.*

*Please continue to pray for the staff at the mission and also remember the store staff as they adjust during this transition. Thank you for your support over the years and I hope to see many of you at future events.*

*God bless you all, Justin Holdren*
