Happy New Year 2022

Here we are finding ourselves at the beginning of a fresh New Year. We reflect back on the year that has just passed and see a lot of things that were not finished that we will definitely want to finish this year. There are things that we wish we could have done that we didn't get to do and hope maybe this year we will be able to do those things. With the work ahead that God has for us to do we are praying for His help, wisdom, and guidance as we step forward into this fresh New Year.

Our first step will hopefully be getting nearer to completion of the much need women and children's shelter. In one day last week our administrative assistant had 5 calls for a place to stay for women and their children. We all know this ministry is needed so much here in Alamance County and we anticipate the day when we can answer a call and say, “yes we have a place for you and your children”. Please help us pray for completion of this project in 2022 and for someone to help us oversee the shelter when it is completed.

We have been very blessed during the Covid issues to remain open for men to come in to the Rescue Mission. Our numbers have been lower than normal but we always pray that God will bring the men to us that truly want a life changing experience. Please pray in 2022 we will see more men receive the salvation of the Lord which will in turn change their lives forever.

Alamance Pregnancy Services has continued to remain open to help young ladies by giving them the classes that will help them mature and become the parent God wants them to be. We had several ladies that had Covid last year while giving birth, but praise the Lord they and their babies came out of it healthy. Pray in 2022 we will see many more ladies to share the gospel of our savior with.

As for Tammy and myself we are praising the Lord for protecting me during the heart issues that I faced in 2021. God has been good to us and our family. We praise him for allowing us another year to serve him here at Piedmont Rescue Mission. Please continue praying for us and we will continue to pray for each of you in 2022.

God bless you for all you do for Piedmont Rescue Mission.

Happy New Year and To God be the Glory!

Piedmont Rescue Mission Christmas Community Meal 2022

Thank you to the volunteers that gave out the coats, hats, scarves and gloves while the rain poured down on the them.

We are so blessed to be a part of a ministry that has so many volunteers standing with us to serve the needs of our community. God Bless you all!

It was such a blessing to see all the young people that came out to help give out all the toys that were donated for the Christmas Community meal. Thank you!!!

Thank you to the kitchen staff who worked for days to prepare the Christmas Meal for approximately 400 people .

We are so thankful to PRM board members who took the time to come out and work beside us in serving the community!

Loading the cars with the plates and deserts for everyone in the family.

Filling the takeaway plates full of delicious food for a Christmas meal. Thank you Volunteers for standing there serving for almost 3 hours.!

God blessed us with an abundance of food boxes to give away at the event. Each car received 4 boxes and 4 bags of food for meals to cook at home for several days.

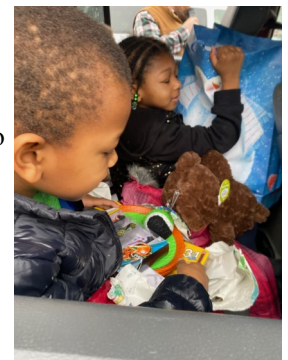

A favorite part of the meal to many people. It was a blessing to see the faces light up when they were given a whole cake or pie for their families.

67 Bicycles and 10 scooters were given away to some very happy children thanks to all of you who donated bicycles!

Thank you to all who donated toys for the children. We were blessed to see the smiles on at least 250 children this year. Thank You So Much!!!

Alamance Rescue Mission

We would also like to thank everyone that sent Christmas monetary gifts and items to help us give the men here at the mission a nice gift for Christmas. We purchased wallets, hoodie jackets, handkerchiefs, and some other small items. Thank you to the church that made up all the toiletry bags and for the blankets donated for the men also.

While ministering to the men we also like to minister to their families at Christmas. We ask the men to give us the names of their children or grandchildren and we select toys for the men to give to them. Many of the men do not have the finances to buy toys for their family so this is a big blessing to them.

The man in the picture with Tony is Anthony. Please pray for him and his family. God has blessed Anthony with the talent to play the piano and he has played with the men singing several times. Please pray he will continue to follow the Lord and use that talent for Him.

Pray the Lord will bring more men into the mission in the upcoming year.

Good Samaritan Super Thrift Store

Over the past couple of weeks and months we have been so blessed over the amount of donations and new customers we have received. We first give the Lord Jesus all the praise and glory for this growth and also want to thank you all who have supported this ministry through your generous donations. Without you all's desire and love for the work God is doing through this mission we recognize it wouldn't be a reality. 1 Cor 3:9 says "We are laborer's together with God". We get the privilege to labor with the Lord and with you all as well in this work. The sacrifice, labor, and effort you make to be a blessing to someone else, coming out of a heart of love, is laying up treasures in heaven. (Matt 6:19-21) We may not see the end results of what we do here on earth but those things we do are remembered in heaven. One day we will all stand together in His glory and see all He has accomplished through us, how it has all worked together to reach those in need of the love of God found in Christ Jesus. We thank you all again for the prayers and support you have shown us. Our desire it that when others walk in this store they can sense the presence of the Lord, that there's something different about this place, and that the Lord is pleased with what is happening here.
