“Offering a Hand Up, Not a Hand Out”

March 2022

“The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.” John 3:8

March is noted for strong winds blowing. As we were thinking about the wind, this verse came to mind. John 3:8 reminds us that the wind blows where it wants to and we have no control of it. However, we know the one who controls the wind and we know He is in control of everything in our lives. Sometimes we forget that God has complete control over everything he created. As we grasp that truth we live our lives trusting Him in all life's situations.

Here at the mission sometimes we question “Lord what direction do we go” or “Lord why is this taking so long” or “Lord how will we get the things we need”. Every single time, He arrives just in time and in His time to answer all these question. This month we had a big blessing here at the mission which will give us a huge push on the Women's & Children's Shelter. Representative Dennis Riddel and Senator Amy Gale have been working for several years to help us receive a grant from the state for the Women's Shelter. We are so thankful that God has used them to acquire the grant for us. They came to the office last week and gave us the check for \$80,000.00 to go towards the completion of the Women and Children's Shelter. We are so grateful God blew the wind in our favor on the grant. We are also thankful to our State Representative Dennis Riddell and our Senator Amy Gale for allowing God to work through them in the mission's favor.

As of last week, the electrician has committed to work every day until all the electrical is finished and the plumber has committed to getting the plumbing completed as quickly as he can. Please continue to pray for us as we are committed to finishing this ministry this year. We give God the glory for all He is and has done and we thank each of our supporters for all you have done to support the ministries of Piedmont Rescue Mission.

Volunteer Spotlight

For the past year a young man named Thomas Knight has worked hard to earn his Eagle Scout Award. He set his heights high and committed to furnishing a whole apartment for the Women's and Children's Shelter. This month he completed his project. He had raised enough money and gotten enough furniture donated to furnish one of our 2 bedroom apartments when it is completed. We praise God for young and old alike who commit to us through volunteer service. We could not do all we do without our volunteers.

Thank you Thomas!
