

# MISSION IMPOSSIBLE

“But Jesus beheld them, and said unto them, *With men this is impossible; but with God all things are possible.*” Matthew 19:26

***To everything there is a season, and a time to every purpose under the heave:  
Ecclesiastes 3: 1***

Change seems to come in our lives when we least expect it. We get comfortable with the way things are and when something happens that forces us into a different situation, we seem to get very uncomfortable. There has been a lot of change going on in the offices of Piedmont Rescue Mission in the last month. Our administrative assistant has been diagnosed with cancer and has spent most of the of the month of May in the hospital receiving treatments and he is still there. We have come to realize Dr. Bill Weeks will not be coming back to do his position here and his wife Jeanne Weeks will not be able to come back to help out in the pregnancy services so this has forced us to make changes in our daily operations. I have placed my wife, Tammy Honeycutt in the Administrative Assistant position in the main office. This has been a learning experience for her and she is still learning so please bear with her during this transition. We have also hired a very qualified young lady to take over the daily operations of the Alamance Pregnancy Services, Brittany Gibson. (There is an article on the back page giving you a little more information about Brittany).

On the Alamance Rescue Mission side, we are getting more men to come into the program and seeing several of them move on to a better life as a result of the change God has made in their lives. He alone is able to do “exceedingly and abundantly above anything we can ask or think”!

The Women and Children’s Shelter is moving along too. A group from Bethel Baptist Church spent a whole Saturday hanging sheet rock for us. They were able to get almost 3 of the apartments finished. We have quite a bit more to do so if you have a group that wants to come out and help call 33-212-2802. The plumber is on his way to starting and thanks to a plumbing supply company in Burlington we are acquiring the materials needed at a good price. Please keep praying for the progress on the shelter. We are getting excited about the time nearing for us to open its doors.

We were privileged this year to be part of the Post Office Food Drive here in Alamance County. We had a great team of volunteers who spent a big part of their day on that Saturday unloading the food donations from the mail trucks and packing them in bins for the organizations that were involved to pick up and take to their food pantries. We are so thankful for the extra food to help us feed our men and give out to the community.

**Please pray for  
Bill Weeks and Jeanne!**

## Introducing Alamance Pregnancy Services New Director: Brittany Gibson

Do you ever hear of those stories where someone had an amazing testimony and God used them despite the pain and struggles they went through?

Have you ever been through so much pain and heartache that you desperately wanted to help others and not have them walk through the same valley you did?

### That is me and this is my story.

I felt so compelled after salvation to do something with my life especially in the field of women, children and helping young girls gain confidence in their motherhood journey.

It's my lifelong commitment to guide, counsel, and love on those hurting after abortion, raising children alone or any stage of life after conception. The call came and my heart rejoiced because what has been in the works in the Lord's plan came to fruition in my life. I am so happy to be serving as Alamance Pregnancy Services Director.

My "biggest" sin that changed the trajectory of my life is the one area God uses for His glory and that my friend is the definition God and His grace!

Brittan Ward Gibson —Esther 4:14

## Baby Bottle Boomerang

Again, we have a record number of Baby Bottle Boomerang participants. We have 55 churches taking up bottles in about 3 different counties. You will never know what it means to us to have all of you supporting APS in this fundraiser. Don't forget to get your bottles turned in after June 30. God bless you all!!!!

## Alamance Rescue Mission Kitchen Needs

This month has been especially hard on our appliances. We had a chest freezer and a refrigerator give out on us. If you have or know someone that may have one to donate to us we would appreciate it so much!
