## ***“For I am the LORD, I change not;” Malachi 3:6***

July marks the seventh month of the year! Wow! Are you like me wondering where has the last six months gone? They say the older you get the faster time goes by. I wholeheartedly agree with that saying. It seems like we don't have enough time to get everything done. We are pressing hard on the family shelter, but some days it seems like we can't get anything done. The plumber is working on getting all the plumbing run, which is a great encouragement to me. We have purchased more sheetrock to work on getting the apartment walls roughed in. We are also wanting to start on hanging the ceiling tiles soon. Please consider helping us by sharing some of your valuable time volunteering to help us move along on getting the Women's shelter closer to completion.

Time also has a way of bringing change about. Some change is hard and some change is good. If you are like me I don't do well with change, but with God's help we do make it through. The changes in the offices were especially difficult. Getting used to different jobs for some of us and taking on new challenges at our age can be difficult, but God is helping us adjust to the changes.

The change in the pregnancy services is going so smoothly. We know this was God's choice for Alamance Pregnancy Services. Please continue to pray for the new director.

The rescue mission residents are constantly changing, some leave and then some come in. We are so glad to see the ones leave here to go back to their homes a new man in Christ. It breaks our hearts when they leave without getting the change in their lives that only God can give. The house is about full now so please pray God will work in each of the men's heart and that they will desire the change God can make in their lives.

The one thing we can count on never changing is our Lord. What a blessing it is to know the one we serve never changes. He is the same yesterday, today, and forever!!! The world changes, society changes and yes even families and friends change but He never changes. Once we have received Him as our Lord and savior He will always be with us to guide us in every direction of our lives. What a precious unchanging Savior we serve. I take comfort in knowing that my God will never leave me nor forsake me through all of life's changes.

God Bless you all.

As of July 7, 2022 we have received over \$10,000.00 in Cash, Checks and Coins from the Baby Bottle Boomerang!

We are so thankful for all of the individuals, churches and businesses who dedicated May and June to our Baby Bottle Boomerang Fundraiser 2022.

We will give another update in the August prayer letter. If you still have bottles let us know if we need to pick them up or when you can bring them by the office.

We have volunteers who are very gracious to help us count the coins so we can get them done in a timely matter.

Again, thank you all so much for making this fundraiser a success.

**God Bless You!!!!**

## PRM Women's & Children's Shelter Update

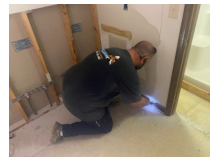

We are praising God, we are in the next big step in the renovation project for the Women and Children's Shelter. Living Waters plumbing is doing a great job of installing the pipes, toilets, showers and sinks for the whole house.

Carolina Supply has graciously provided the pipes and accessories that are needed to get this job done.

I am stacking up the sheet rock in preparation for another sheet rock hanging workday. If you have extra time I know where you can spend it!
