Happy New Year 2023!

What better way to start 2023 than with a great big “Thank You” to all of you who donated items for our Christmas community meal and a great big “Thank you” to all of you who spent your day with us

sharing and volunteering your time to help us make a difference in so many families in our community. We served over 600 hundred meals, we gave out over 1200 bags and boxes of groceries, we also gave out coats, scarfs, gloves and socks. We gave out over 300 toys for the children and we were able to give 65 bicycles out this year. Our blessings come from giving to others, but our biggest blessing comes from being able to share the gospel with each person. We gave out children’s books that shared the true meaning of Christmas with each child. Someone donated a box of the Gospel of John books that we gave out and we were blessed to have enough gospel tracts to put one in each coat that was given out. We planted many seeds that day and now we are praying those seeds will be watered by God.

As we begin 2023 there is a lot on my heart. I am praying continuously that we will get the Family Shelter completed and opened by the end of this year. God has supplied someone that has put together a construction crew to help us out with quite a few projects. We are praising God for this help. We also will be open to volunteers to help with many things. We pray for the staff here at the mission that their hearts will grow to love the work God has for them and that they will do it for His honor and glory. We have many needs here at the mission, we pray God will lead you, our partners, to help in what ever capacity you can to further the work of the Lord and to reach souls for His kingdom. As we work together in 2023 may we always keep in mind that the reason we are here is to honor and glorify God with our lives. Its about Him, not us.

Thank you for your prayers and support! God bless you in 2023!
