## **Alamance Pregnancy Services**

It's hard to believe we are in the third month of the year. It goes by so fast when you are doing what you love! On average we are gaining 5 new ladies a month! We have an amazing program here and it's because of your generous love, prayers and support that we can help each lady. We are gearing up for the **2023 BABY BOTTLE BOOMERANG** that will start May 1 and go through June 30. If you want to help us support more families and spread the gospel to generations to come; we would love to welcome you to the 2023-BBB. Contact us @ **336-222-9195** and we will send information on how to get started! As I reflect on what the Lord is doing, I simply think of the word **FAITHFULNESS**. God has proven himself over and over how faithful He is. My prayer is that every one of our ladies grow in the Lord as they are here in our program, as we love on them, pray with them, spiritually guide them, and help provide necessary resources. We can do what we do because of you.

I personally want to thank each of you who partner with us in prayer and support.

**“Commit thy works unto the LORD, and thy thoughts shall be established”  
Proverbs 16:3**

Can you believe how fast this year is moving? We are in the 3<sup>rd</sup> month of the year. WOW! It seems that time moves so fast there is never enough time in the day, the week, or the month to get all we need to do done. I am sure most of you feel the same way. We all need to do as the verse above says, we need to commit our work to the LORD and take one day at a time. When we do this, we take the time to establish our thoughts, make priority list and work one day at a time to accomplish what God has for us to do. In our humanity we want to see things finished yesterday, but God’s time is always right. We wonder why it takes so long to do something, but we forget God is teaching us even through the times of waiting. I remember when we were on deputation to Kenya, years ago, it took us 4 years to raise the money we needed to get to the field. During those 4 years we were constantly asked when you are going, and all we could say is when God supplies the funds for us to go. We wondered back then why it was taking so long, but now 30 years later we know that God had a purpose for delaying our departure. He was in the process of preparing us and teaching us things we would need when we arrived in Kenya. He taught us His time was always the right time! I can’t say all this time was pleasant for us because at times we would have people discourage us, but we knew what God had called us to do and we kept moving forward, relying on God to take care of us. We learned through those years that we have a faithful God who will take care of us. Many times, while going from church to church raising support we wouldn’t have the money to get to our next destination, but God would touch someone’s heart to put money in Tammy’s diaper bag without us knowing until we were on our way. God took care of us here and we knew when it was the right time, He would take care of us in Kenya. Committing the work to the LORD releases us from worrying about it and puts it in His hands as we continue moving forward toward finishing the work He has put before us.

You our supporters have been with us a long time and have traveled a lot of paths with us. You know that God has been faithful to accomplish His work in our lives in His time. We have been working for quite some time on getting the Women and Children’s shelter finished and at times we have felt like throwing up our hands and quitting but God would have a blessing waiting for us that would encourage us to move on. We are convinced in His time we will have the shelter open. We ask you to continue to pray with us as we are moving in the direction of completion God willing this year. With that being said, please pray God will lead someone to help operate the home when it is finished. God has placed several people in our paths who have helped speed the process up tremendously and we pray He will continue to do that throughout the year. As we are working on the shelter God is teaching us and preparing us for ministry to the women and children who will need the shelter. We remain faithful to the task and we know in His time we will reap the rewards of our labor.

The rescue mission is doing good. We are continuing to have a full house most of the time. Please pray for the men here who are fighting battles and learning to look to the Lord to fight those battles for them. George, one of our supervisors suffered the loss of his daughter in February. Please pray for peace for him and his family.

We thank God for your prayers and financial support. We pray God will bless you!

Tony and Tammy Honeycutt, Phil. 4:13
