“Men on Fire” What do we mean? In this context we are meaning, “Men on Fire for God”. To be on fire for God is to have a very strong desire to do God’s will for your life. Living a life that is devoted to God and His purpose for your life. It means you are willing to get out of your comfort zone to serve Him. Many of the men here at the mission are committing to our “Men on Fire” program because that is what they want to do. They are tired of living a life of ups and downs being defeated every way they turn. They want to learn how to commit their lives to God and live on purpose, on fire for Him. Is this easy to do in today’s society when it seems everything is against God and living for Him? No its not easy, but with help from the Lord, guidance and prayer from all of us at Piedmont Rescue Mission, we are vowing to do all we can to help these men with their desire to learn how to be “Men on Fire for God”. How will we accomplish this? By teaching them what God’s Word says about how to stay on fire and close to the Lord. Please remember to pray for our “Men on Fire”.

The Baby Bottle Boomerang Fundraiser has concluded and we have counted most of the money. We still have several churches that haven’t returned their bottles so we don’t have a final count yet. Right now we are at about \$27,000.00. We are hoping to meet or surpass last years total. Thank you to all who participated .

The rough in plumbing at the Women and Children’s shelter is nearly finished. We are anxious to see the to get calls on a weekly basis from mothers with children needing shelter. We will be so happy when we get a call and we can say, “Yes we can help you”.

We are in the planning stages of the Greater Vision Banquet now. We are looking forward to seeing all of you in October on the 19th. Please save the date. Because of the expense of renting the building, we are very thankful Trinity Worship Center has offered their facility to us for the banquet this year. Their facility is very spacious and will be perfect for our needs. Churches, Pastors and local business if you could help us out by sponsoring a table please let us know. Tammy will be sending out request letters around the first of September.

Tammy and I are celebrating our 47th anniversary this month. We feel so blessed to have been used of God for 47 years together. When we look back at what God has allowed us to do with our lives together, all we can say is “We Have Been Blessed”. Thank you to all who have been a part of our lives and supported us with your prayers and financially. We could not have done it without you.

*God Bless You All!!!!*

## Baby Bottle Boomerang

...is an ongoing  
success with this year meeting and maybe even  
exceeding last years total.

The total we have to date is \$27,000.  
Hopefully by the end of August all the bottles will have  
been returned and we will be able to share our grand total  
in the September letter. Thank you all so much for  
participating in the BBB fundraiser.

We have heard several stories of how things have been  
done in some of the churches to raise the money but one  
thing that stood out and was a blessing to us was from a  
church in Virginia. They have participated in the BBB for  
several years through their VBS. This year , with the help  
of the church, they raised \$2700.00. This may not sound  
like a lot but this was about 20 children and a church of  
less than 60 people attending. We see through this group  
of dedicated people, God is faithful to use what we do for  
him even when we are young and small.

**With the cost of groceries rising everyday, we wanted to make you aware that one of the ministries of Piedmont Rescue Mission is Food Box Distribution on a weekly basis.**

**We give out on Tuesday and Thursday from 1:00-3:00 pm, but it is by appointment only. If you are in need or you know someone that is please call 336-229-6995 and we will schedule an appointment for you.**
