A Message From Tony and Tammy Honeycutt

Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ: **Philippians 1:6**

So here we are again in our (Tony and Tammy's) anniversary month. Forty-eight years God has allowed us to be together doing full-time ministry for him for almost 40 years of our marriage. Looking back time has gone by so fast. It seems like yesterday when we were saying our vows to each other. We are both so thankful for the life the Lord has allowed us to live, we wouldn't change a thing. We love sharing the message of God's salvation in all of the ministries He has given us the privilege to serve in. We are getting really excited about seeing the Family Shelter getting closer and closer to being finished. Our desire is that the Lord will allow us to have the doors open as soon as possible. We know there is a great need for this ministry and are anxious to see it up and running. We know you, our supporters are looking for the day when we cut the ribbon, dedicate it to the Lord and begin taking in women and children that are in desperate need of a place to feel safe, an opportunity to start over, and a place where they can learn about the Savior who died on a cross for their sins. I am attaching pictures of one of the apartments that is finished and waiting (see pictures on page 2) to be set up with furniture and decorations. We have about 4 of the apartments finished at this time. Praise the Lord!!!

Update on the Baby Bottle Boomerang: As of July 30, we are at \$28,711.00. God is good. He is blessing your efforts and ours. We praise Him!

The Men's division is doing good. We have been at full capacity all summer. When one checks out, we are checking someone else in to fill their spot. We have added two new residents to our staff in the last few months. One has been added on as a supervisor to take up the slack from Bro. Kent retiring. The other is going to be our resident mechanic. The mission spends so much money getting our vehicles repaired so we are thankful to him for wanting to share his talents with the mission.

As always, thank you all so much for your prayer support and financial support.
God Bless you!

SPARK ROGRAM AT PIEDMONT RESCUE MISSION

Piedmont Rescue Mission has a new program that will help you keep up to date on the activities going on in each of the ministries. It is called View Spark. I have already collected quiet a few email addresses and phone numbers as I have been visiting different churches. We will be making real time videos of activities going on and sending them out by messaging or email. If you would like to receive these mini video updates and stories from the mission send us your name, email and phone numbers. We will never share your phone numbers or emails with anyone else. We are very excited about this new program and hope that you will take advantage of it too. Feel free to use the coupon in this letter and the envelope to get this information to us. Thank you so much!
