Offering a Hand Up, Not a Hand Out

... in as much as ye have done it unto one of the least of these my brethren, ye have done it unto me.”
Matthew 25:35-36, 40

A Message From Tony and Tammy Honeycutt

Wow! It has been unusually hard to get the January Prayer Letter out. With all the year end things we have had to do we have fallen behind. Just as I was typing the letter my computer went black. After 2 hours of messing with it I just cut it completely off. As I was waiting to turn it back on, I had a text from a Pastor friend who ask me is there anything I can pray about for you today? Imagine that? Immediately I wrote him back and asked him to pray about the computer issue. I waited a bit longer said a prayer myself and turned my computer back on. It came up! I did lose what I had already typed but praise the Lord it is working now! God is good and he sends people our way to help us pray for even what we might think is small. Thank you so much Pastor Shutts for your prayers. Because of all the issues this month we have decided to combine the January and February letters into one.

2024 started out on a good foot. The first three months of the year are not as busy but as April came around it began to pick up the pace. The Baby Bottle Boomerang for Alamance Pregnancy Service began. Getting the letters out, getting the bottles ready for pick up or delivery, then we waited for you all to respond and return your bottles. God really blessed and used all of you to help 2024 to be the best year yet for this fundraiser. With your support we raised \$36,435.83. As 2024 ended we had a transition of the leadership in the pregnancy service. Jeanne Barret Weeks, who had worked in the pregnancy service before has graciously accepted the position. Please pray for her as she works with the moms and children in 2025.

Alamance Rescue Mission has been full for the whole year, which gave us more men to minister to. We saw some make professions of faith and are praying that more will see their need of a salvation in 2025. Many of you may not know about our food box distribution, so I would like to share with you that we have several resident men who work to distribute this food to our community 2 days a week. We are so thankful that the men are willing to spend their time to make this food box distribution program a success. We have a community in need of food assistance that ranges from single moms, single dads, young couples, older couples and then our senior citizens. We are so grateful that we get to share the blessing of the Lord with them on a monthly basis. We also share the gospel with them by placing a gospel tract in each box that has been paid for and supplied by Bro. Billy Todd for many years. Thank you Bro. Billy for your faithfulness to supply gospel tracts not only for the food distribution, but to the Good Samaritan Super Thrift Store, Alamance Rescue Mission, Alamance Pregnancy Services and to our Christmas Event every year.

The Women & Children’s Shelter renovations progressed quite a bit in 2024. We would love to say we got it finished, but not yet. We are praying 2025 will be the year we can say it is finished! Please help us pray to this end. We know God gets things done in His time and in His time it will be right!

Tammy and I had a good year in 2024. God has blessed us and our family. We can not thank Him enough! Thank each of you so much for your prayer support and your financial support.

We are looking forward to what God has in store for Piedmont Rescue Mission in 2025. God bless you all!

Alamance Pregnancy Services

Let me re-introduce myself. I am Jeanne Barrett Weeks. You may remember that I worked alongside of Tammy Honeycutt in Alamance Pregnancy Services from 2017 to 2021. It was such a blessing to me to be part of this ministry. Due to my husband being diagnosed with cancer and then during that time I had a major fall which put me down for quite a while I had to back off from my work at the Pregnancy Services. I praise God my husband is cleared of cancer and I have been doing really good since my surgery.

I have really missed helping the young moms and seeing the precious babies. I am so excited to be able to minister here at the pregnancy services again. As of January 1, 2025, I became the new APS Director. I thank God for this opportunity. I look forward to sharing God's Word with the moms and sharing how he cares for each one of them and their babies. I covet your prayers as I minister here by helping the girls with the baby items they need, but more importantly sharing the gospel with them. We know only God can change a life so please pray that God will work in each lady's heart that comes through our door in 2025. We pray that they will come to know Christ and His love for them!

My life verse, which my mom taught me, and I claimed at the age of 19 while in Bible College is: "I can do all things through Christ which strengtheneth me." Philippians 4:13

Keyon Raises Money for the Homeless!

Keyon told his mom he wanted to do something to help the homeless this year for Christmas, so he decided to buy candy and sell it to raise money to help the homeless during Christmas time. He raised \$373.00 and chose to donate it to the to Piedmont Rescue Mission. We got the opportunity to meet this

young man and we are so grateful for his desire to reach out to help someone in need. God Bless You, Keyon!

This young boy was on WFMY 2 talking about this project.

Woman and Children's Shelter

Women and Children's Shelter renovations progressed quite a bit in 2024. Here are some before & after pictures to show that we have made progress, but we still have a ways to go. We are believing God for a miracle for these moms and their children.

Left, the preparation work that needed to be done.

Right, what has been done up to now.

The journey continues ...
