RESCUE MISSION**

Offering a Hand Up, Not a Hand Out

... in as much as ye have done it
unto one of the least of these my
brethren, ye have done it unto me."
Matthew 25:35-36, 40

A Message From Tony and Tammy Honeycutt

Charity suffereth long, and is kind; charity envieth not, charity vaunteth not itself, is not puffed up, Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil... I Corinthians 13:4-5

What Is True Love?

I looked up the meaning of true love, and this is the answer I got:

"True love is a deep, selfless, and unconditional commitment to another person's well-being, characterized by unwavering trust and mutual respect."

With February being the month of love, we should remember that **true love is God's love for us!** God's love for us is agape love, unconditional, sacrificial, and unchanging.

I John 4:9: "In this was manifested the love of God: because that God sent His only begotten Son into the world, that we might live through Him."

In a world filled with chaos, we, Christians need to remember to love like God loves and to share God's love with everyone we meet. There is so much pain in the world, let us put aside our selfish desires and be the ones that reach out in love to help those in pain. We should always remember God's love for us when we were unlovable and follow His example.

Jesus said in Matthew 22: 36 –40; "Thou shalt love the Lord thy God with all thy heart, with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbor as thyself."

Who is our neighbor? Look around and you will see who it is. It is the stranger on the street, it is the cashier at the store, it's the people we work with, it is anyone that crosses our path on a daily basis. Some that pass may be loveable and easy to love, where others may be harder to love. It does not matter who it is or what walk of life they come from they need the love of God, and we should share His love with them.

Please remember to pray for us as we minister to the men, women and children here at Piedmont Rescue mission. Pray that the Women and Children's Shelter will be finished soon. We **will** have to do the sprinkler system, but we are trusting that God knows what's best and why things happen the way they do for a reason. Pray that it is completed soon!

Thank you all for your prayer support, financial support, and for the love you have for Piedmont Rescue Mission. God Bless You All!

We love You All!

Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins. Beloved, if God so loved us, we ought also to love one another.

Women and Children's Shelter Update

First of all, let me say how thankful I am for all the individuals whether they are volunteers or paid laborers that have been on this journey with us for the last several years. I would also like to thank all of you that have donated monetarily toward this home. Many of you, you know who you are, have given graciously toward this home for mothers and their children. We don't take any of you for granted! This work is a work labor of love by so many people that it would be hard to name you all. God has worked in our hearts and yours to build a sanctuary for mothers and children from all backgrounds of life where they can receive the help they need and the love they deserve. As you know we have faced many hurdles during this time, but God has been there with us jumping them and so have you!!! We are so close to saying we are finished and ready to open the doors to the precious families that are in desperate need of God's love. As you know, we have yet faced another hurdle to jump... "The Sprinkler System!" We know God's timing is the right timing, but sometimes we ask why Lord, only to get the reassurance from Him that this is His work and it will be completed in His timing. He knows the whys, the when's and the how's before we can even ask the question, I have determined to keep moving forward and to continue jumping the hurdles with the promise He has given us in His word. **Philippians 4:13, "I can do all things through Christ, which strengtheneth me."** We can do all things, which means we can see the shelter opened in His time. We just need to keep building the wall as Nehemiah did and not letting the hurdles discourage us. It took us 4 years to raise our support to go to Kenya, East Africa many years ago. Did we get discouraged, **Yes!** Did we have people say we would never make it? **Yes!** Did we Quit? **No!** We were sure God wanted us in Kenya and trusted Him to get us there in His time, the right time. We are trusting Him to get us to the finish line now also, and we know He won't fail us! **God bless all of you that are continuing on this journey to the end with us!**
