A Message From Tony and Tammy Honeycutt

50 Years of God's Faithfulness---August 1, 1976-August 1, 2026

On August 1, 1976, Tammy and I dedicated our lives to each other—for better or for worse, in sickness and in health, as long as we both shall live. That was 50 years ago. Tammy was 18, and I was 19, but even then we knew we were meant for each other. As teenagers, we had already dedicated our lives to serving the Lord. While dating, we chose Philippians 4:13 as our marriage verse: "I can do all things through Christ which strengtheneth me." We changed the "I" to "We" and the "me" to "us." Fast forward to 2026 --- fifty years have gone by, and we are still trusting and serving the Lord together. God has been faithful beyond anything we could have imagined. As we think back over the many family members and friends who have prayed for us, supported us, and encouraged us, our hearts are deeply grateful. We pray the Lord will give us many more years together in His service. God has been so good to us! We have been blessed beyond our wildest dreams. Thank you, Lord!

Journey Home Women & Children's Shelter—Project Update

We are pleased to announce that the sprinkler company will begin work on the sprinkler system during the first week of August. We are excited to see progress beginning again. Please pray that everything goes smoothly and that the city will pass us on the final inspection. Our prayer is to open soon after the work is completed.

Alamance Rescue Mission for Men - Ministry Report

The Alamance Rescue Mission continues to bring in more men who need ministry. Our supervisors are working with them on spiritual issues as well as personal addiction struggles. Addiction is a real battle, and it is extremely hard to break without the Lord's help. We remind the men often that they cannot overcome addiction on their own – but with God's help, all things are possible. We have a Savior who can break any stronghold if we trust in Him. Last week one of the supervisors led one of the men to the Lord in the office while counseling him. We praise God for that! Please pray for the men who have bravely admitted they need help and are seeking the Lord's strength.

Alamance Pregnancy Services: Baby Bottle Boomerang Blessings

Alamance Pregnancy Services has been very busy this past month. Jeanne has had several new ladies sign up for the program. They are excited to take classes, learn more about the Lord, and grow in how to raise their children in the right way. Jeanne is collecting baby bottles daily and counting the coins, cash, and checks. Thank you to everyone who has participated in the BBB, and thank you for your prayers for the ladies and their sweet babies

Good Samaritan Super Thrift Staff Prayer Request

As many of you know, the Good Samaritan Super Thrift is extremely hot these days because the store is not air conditioned. Please pray for the staff as they continue serving faithfully during this heat wave.

Thank you all so much for your prayers and support. God bless you!!

Update on Journey Home Women and Children's Ministry

Praise the Lord—the sprinkler system is being installed as you read this update! Please pray that the installation will not take too long and that the city will approve it as soon as possible.

We cannot tell you how excited we are to see this progress being made. Over the last month, we have received so many calls from women with children who need a place to stay, and it is becoming harder to tell them that our home is not open yet.

We trust the Lord to bring this work to completion so that we can soon announce the opening to all of you who have faithfully prayed, volunteered, and given financially for this special home.

Thank you for your continued support, prayers, and patience.

Greater Vision Banquet - October 2026

It may seem early to be preparing for the 2026 Greater Vision Banquet, but time is moving quickly, and the big night will be here before we know it. Tammy will be having total knee replacement surgery on August 18th and will be out of the office for 4–6 weeks. Because of this, much of the banquet planning has been done earlier than usual this year.

Since the beginning of June, a wonderful group of ladies has been working on the centerpieces, and they already have nearly half of them completed. Tammy has also been working closely with Sherry, who will be filling in for her during recovery, to ensure that all table sponsor letters are prepared and mailed on schedule. Tammy has trained Sherry in every area of her job, and Jeanne, Director of APS will be stepping up to help Sherry in any way she needs her. We are confident the office will continue to run smoothly in her absence.

Please keep Sherry and Jeanne in your prayers as they step into this role and pray for Tammy as she undergoes surgery and through her recovery time. If you would like to sponsor a table, you do not have to wait for your letter, simply call the office and let Sherry know. She will be happy to give you all the details on securing your table and tickets.

Thank you once again for everything you do to make the banquet a success and thank you for remembering Tammy in your prayers. You might want to pray for me as well, since I'll be helping her during the early part of her recovery.

Baby Bottle Boomerang Update

The Baby Bottle Boomerang Fundraiser is coming to an end. There are still a lot of baby bottles full of change to count and about 6 churches yet to turn in their donations. God is blessing and right now we are getting close to last year's total. Thank you to each church, business and individual that gave to help us minister to these young mothers. We will give an updated total raised in next month's newsletter. Funds raised thus far: \$32,478.20.
